SETTING UP AN ACCOUNT FOR YOUR ORGANIZATION

Thank you for wanting to donate food in your community using FoodRescue.ca!
We appreciate your efforts in making sure edible food does not get thrown away.

When you click [JOIN NOW] you will be asked to register as a key contact for this account. This is very similar to signing up for any online service. You’ll need to:

- Provide the name of the business (as you would want it to appear to others)
- Make a password for yourself
- Respond to an activation email and [LOGIN]

COMPLETING THE APPLICATION

The application to access this free system is a one-time process that’s extremely important. We need to ask a series of questions to get to know your organization and learn about the types of food you’re able to donate.

- Each section is saved, so you can log out and complete the application at another time
- The application must be completed online
- You can move to the various pages of the application to make adjustments by clicking on the side menu.

The application is in 2 parts:

1. General information to help the system function for your needs
2. Terms and Conditions ([requires a Signing Authority for your business])

On page 4 of this guide, we have provided a checklist to help you gather information in advance.

OVERVIEW SECTION

We would like to learn the food categories you may donate. This is not a commitment to do so, only an overview for our knowledge about your business.

- We have 15 categories to help us identify foods requiring cold transport and storage. This also helps recipient organizations decide if they can utilize a donation.

We’d also like to know any food specialties you may donate, such as vegan, kosher, or halal items, or products that are past best before dates, without labels or meet student nutrition guidelines.

- Please refer to our Food Donation and Consumption Timetable and our Student Nutrition Guidelines which can be found on FoodRescue.ca.

These parameters can be changed or added later, once your application has been completed.
LOCATION ADDRESS
We’ve assumed that the main office address is the same location that will donate food. If you need to change this address, please click the button to turn it on and fill in a location address. More facilities can be added after your application is completed.

LOCATION DETAILS
We care a lot about food safety. People that receive rescued food want to know we’ve made every effort to ensure donated food is safe to eat. So we ask for the date of your last public health inspection.

- If your facility has not been inspected in the last 18 months, please turn on the button and tell us why.

We also want to understand what type of fridge or freezer units are at this location.

We ask if you have an onsite kitchen, so we understand if food is prepared at this location.

To learn if you may have ongoing surplus food, we ask if you might make recurring donations.

- This is not a commitment to make regular donations. You can decide that later, when you want to donate food. We just want to learn if you have sporadic excess or ongoing surplus.

SOCIAL MEDIA
We would love to connect with you through social media channels. This is not mandatory, however if you can share your handles and urls, that would be terrific!
PERSON RESPONSIBLE FOR THIS LOCATION

We need to know who would be responsible for donating food from this location. If it is not the key contact, (who's filling in this application), turn the button on and assign someone else by filling in their name and email address.

- If you assign someone else, we'll send them an email invitation to register, after your application is complete.

*Different people can be assigned or added to donate from this location, once your application has been completed.*

SIGNING AUTHORITY

In order to complete the application, someone with Signing Authority for your organization needs to review and agree to our Terms and Conditions for FoodRescue.ca Food Donors.

If you having Signing Authority, you can proceed or if you need to invite someone else, turn the button on and fill in their name and email.

- We'll send the Signing Authority an email request to log in to complete the application.
- We highly recommend that the Terms and Conditions be reviewed in advance of this step. You can find the Terms and Conditions at the end of this guide.

## THANK YOU!

Terms and Conditions for FoodRescue.ca Food Donors

As an approved food donor member of FoodRescue.ca, you will be granted access to certain services offered on FoodRescue.ca (including being connected with certain Canadian charitable and not-for-profit social service organizations that rescue food). Becoming a food donor member of FoodRescue.ca is open to any food business that would have surplus food to donate using the platform on FoodRescue.ca.

On behalf of my organization, I agree that:

1.1. DONATION OF FOOD ACT
We understand that subject to Ontario’s Donation of Food Act, 1994 (SO 1994, c 19) (the "Act"), there is no liability for donated food in the province of Ontario if certain criteria are met. A copy of the Act is available at https://www.ontario.ca/laws/statute/94d19. We acknowledge that we have read and understood the Donation of Food Act, 1994.

1.2. INDEMNITY
We will waive any claim which may seek to hold Second Harvest, FoodRescue.ca, or any recipient organization, as well as any of their respective officers, directors, employees, contractors, staff and/or representatives, liable for any damages arising from any activities connected, or related, to food donations or food rescues.

1.3. SERVICE LEVEL
We acknowledge that Second Harvest and FoodRescue.ca cannot and do not represent, warrant or guarantee any level of service, nor quality, quantity, or frequency of product offered through this website or as part of the food rescue program.

1.4. DONATION OF RAW MEAT & FISH
We will not donate fresh, or frozen, raw (uncooked) meat or fish directly to individuals for consumption. Any protein of this nature will be frozen and donated to recipient organizations that have appropriate preparation facilities.

1.5. ACCOUNTABILITY
We will ensure donated food is made available at the appointed time we specify on this website, or we will cancel the donation at least four (4) hours in advance of the appointed time.

1.6. DATA COLLECTION
We permit Second Harvest and FoodRescue.ca to collect, use and disclose, in accordance with its Privacy Policy - which is available at https://www.foodrescue.ca/docs/privacy-policy.pdf the data collected from our donations and details about our organization for the purposes of tabulating and measuring the impact of our food rescue.

1.7. DATA SHARING
Each recipient organization of our donated food will have access to single food donation data and aggregated data collected on the FoodRescue.ca’s website, so the recipient organization can share the results of their use of FoodRescue.ca.

1.8. DATA MEASUREMENT
Any data collected from our use of FoodRescue.ca may continue to be tabulated and measured, even if our organization ceases to be associated with this food rescue program and this agreement is terminated.

This may incorporate celebratory details, such as the types of food donated or the types of people or programs receiving rescued food, and that this information may be shared in social and other public media communications, such as Twitter, Facebook, websites, newsletters, reports, promotional materials, etc.

1.13. WITHDRAWAL
Second Harvest may request that my organization withdraw as a food donor member of FoodRescue.ca if the food rescue program ceases to operate or my organization (i) violates these terms and conditions; (ii) is deemed, in Second Harvest’s sole discretion, to no longer be able to comply with these terms and conditions, (iii) acts, or fails to act, in a manner that, in Second Harvest's opinion, negatively impacts on Second Harvest, FoodRescue.ca, a recipient organization(s), or another food donor(s), or Second Harvest’s relationship(s) with other food donors and recipient organizations, or Second Harvest’s food rescue program. Upon any such request to withdraw, my organization will promptly do so. In addition, either party may terminate this agreement without cause upon at least ten (10) days’ prior written notice to the other party.

1.14. COMPLETE AGREEMENT
This agreement constitutes the complete and exclusive agreement between the parties with respect to the subject matter concerning FoodRescue.ca, and supersedes and replaces any and all prior or contemporaneous discussions, negotiations, understandings and agreements, written and oral, regarding such subject matter.

1.16. AMENDMENTS
This agreement may be changed only by a written document signed by authorized representatives of each of the parties. Should any section of this agreement be held to be invalid by a court of competent jurisdiction, then that section will be enforced to the extent permissible, and all other sections will remain in effect and are enforceable by the parties.

1.17. ASSIGNMENTS
We may not transfer any of our rights or obligations under this agreement, either in whole or in part, without the prior written consent of Second Harvest. Should Second Harvest consent to any such assignment, such consent may be subject to such terms and conditions as Second Harvest may require. No assignment shall relieve us from our obligations under this agreement. Second Harvest may, in whole or in part, assign this agreement.
